In re Application of	:	OFFICE OF PETITIONS
Michael Ugene	:	
Application No. 10/696,833	:	DECISION ON PETITION
Filed: October 30, 2003	:	
Attorney Docket No.	:	

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed September 7, 2010, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to reply in a timely manner to the Notice to File Missing Parts of Non-Provisional Application (Notice), mailed April 26, 2006. The Notice set a period for reply of two (2) months from the mail date of the Notice. No extensions of time under the provisions of 37 CFR 1.136(a) was obtained. Accordingly, the application became abandoned on June 27, 2006. A Notice of Abandonment was mailed February 21, 2007.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a preliminary amendment (2) the petition fee of \$810, and (3) a proper statement of unintentional delay. Accordingly the preliminary amendment is accepted as being unintentionally delayed.

The application file does not indicate a change of address has been filed in this case, although the address given on the petition differs from the address of record. A change of address should be filed in this case in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address noted on the petition. However, until otherwise instructed, all future correspondence regarding this application will be mailed solely to the address of record.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

Telephone inquiries regarding this decision should be directed to the Kimberly Inabinet at (571) 272-4618.

This application is being referred to the Office of Patent Application Processing for appropriate action in the normal course of business on the reply received September 7, 2010. Inquires regarding the status of the application should be directed to 571-272-4000.
